

INDIANA DEPARTMENT OF ENVIRONMENTAL MANAGEMENT

PUBLIC NOTICE OF RCRA CORRECTIVE ACTION DECISION

Date of Notice: January 15, 2021
Comments Due: February 15, 2021

The Indiana Department of Environmental Management (IDEM) intends to issue RCRA Corrective Action No Further Action (NFA) Decisions for Solid Waste Management Unit (SWMU) 17 – PCB Capacitor Burial/Pole Barn, and for SWMU 17a – Building 2721:

Naval Support Activity Center
Crane, Indiana
U. S. EPA ID Number IN5170023498

IDEM has drafted Statement of Basis (SOB) documents for SWMUs 17 and 17a summarizing information found in the administrative record. IDEM has determined that no further action is necessary for these SWMUs under Indiana's RCRA Corrective Action Program. A copy of the Statement of Basis for SWMU 17 (VFC document # 83094834), and SWMU 17a (VFC document # 83094835), along with the supporting administrative record are available for your review in the IDEM Virtual File Cabinet at: www.IN.gov/IDEM and select "eServices" under "Resources".

IDEM is providing the public an opportunity to submit written comments and/or request changes to the Statement of Basis as proposed. IDEM is particularly interested in receiving comments from persons aware of any spills or releases that may have occurred from this facility in the past. Written comments must be postmarked or emailed by February 15, 2021.

You may request that IDEM hold a public hearing. At a hearing, you would have an opportunity to submit written comments, ask questions, make statements, and otherwise discuss any concerns about the Statement of Basis or the administrative record with IDEM staff. If a public hearing is held, IDEM will make a separate announcement of the date, time, and location of that hearing at least 30 days in advance.

IDEM will respond to all significant comments and specify which provisions of the Statement of Basis were changed, if any. To receive a copy of the Notice of Final Decision and Response to Comments, please make a written request to the below. Anyone who submits written comments will receive a copy of the Notice of Final Decision and Response to Comments.
